TOM TOM 1979

dedicated to the graduates of the past 99 years

CRIMSON AND GRAY CHAOS TOM TOM — vol. 26
Danville Indiana

One hundred years ago there was, in May, a celebration of the first graduating class of Danville High School. Belle Kennedy was the graduate, the only graduate, so we can assume she was ranked #1 in her class.

One hundred years later, in May 1979, we will graduate 170 seniors with stiff competition for #1. Yet each graduate feels it is his/her special day, and will know that he/she is number 1 in the eyes of their own family and friends.

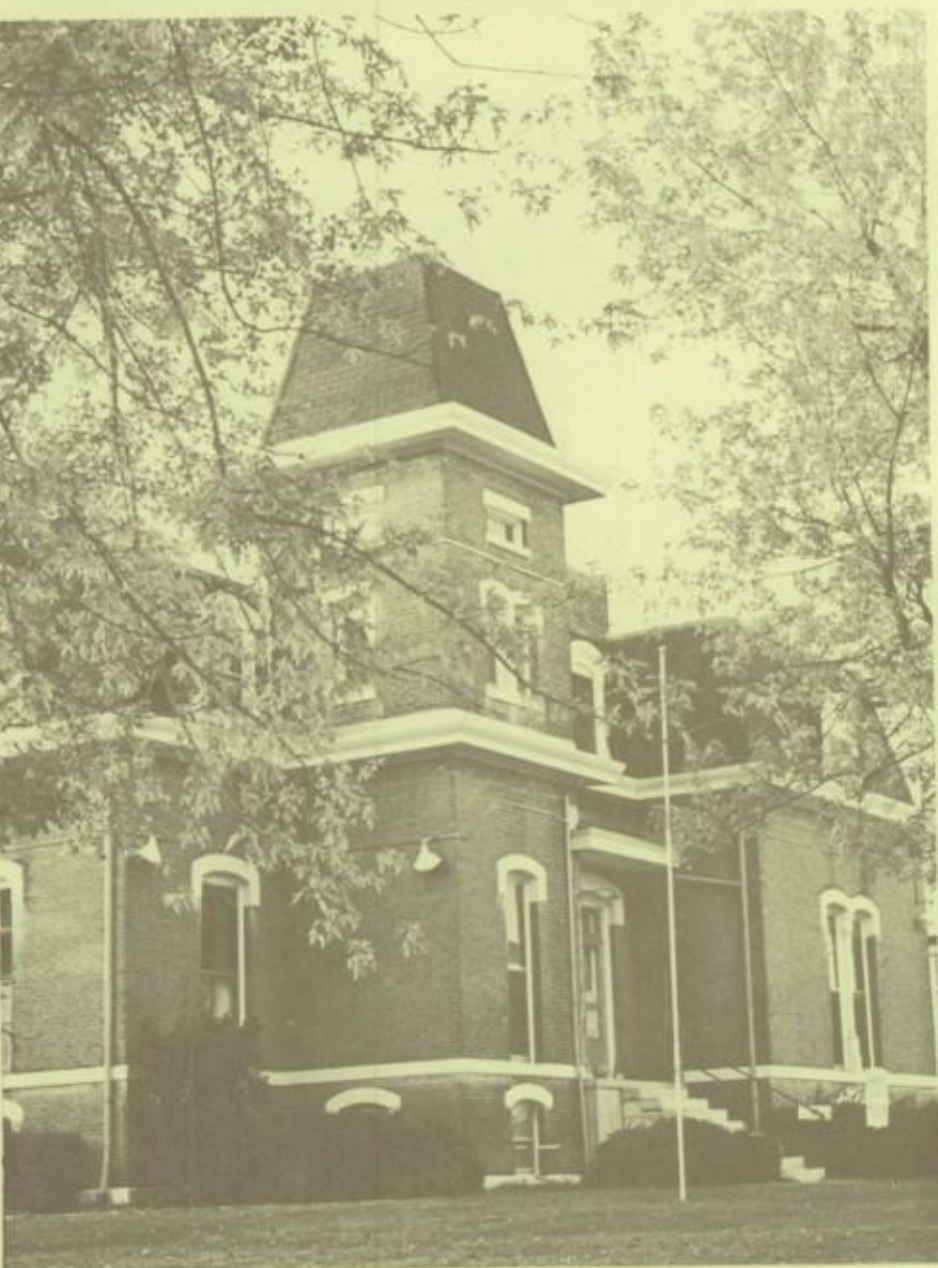

In the following pages, we are attempting to give you a brief view of some of the people and events of the past century that have made Danville High School what it is today. We cannot hope to recount the history in detail — it would take years and we would need a volume per decade.

We put out pleas for help via the newspapers and radio inviting you to be a part of this special edition by supplying photos and written information: for those who did we are grateful, and we wish to say a special thank you.

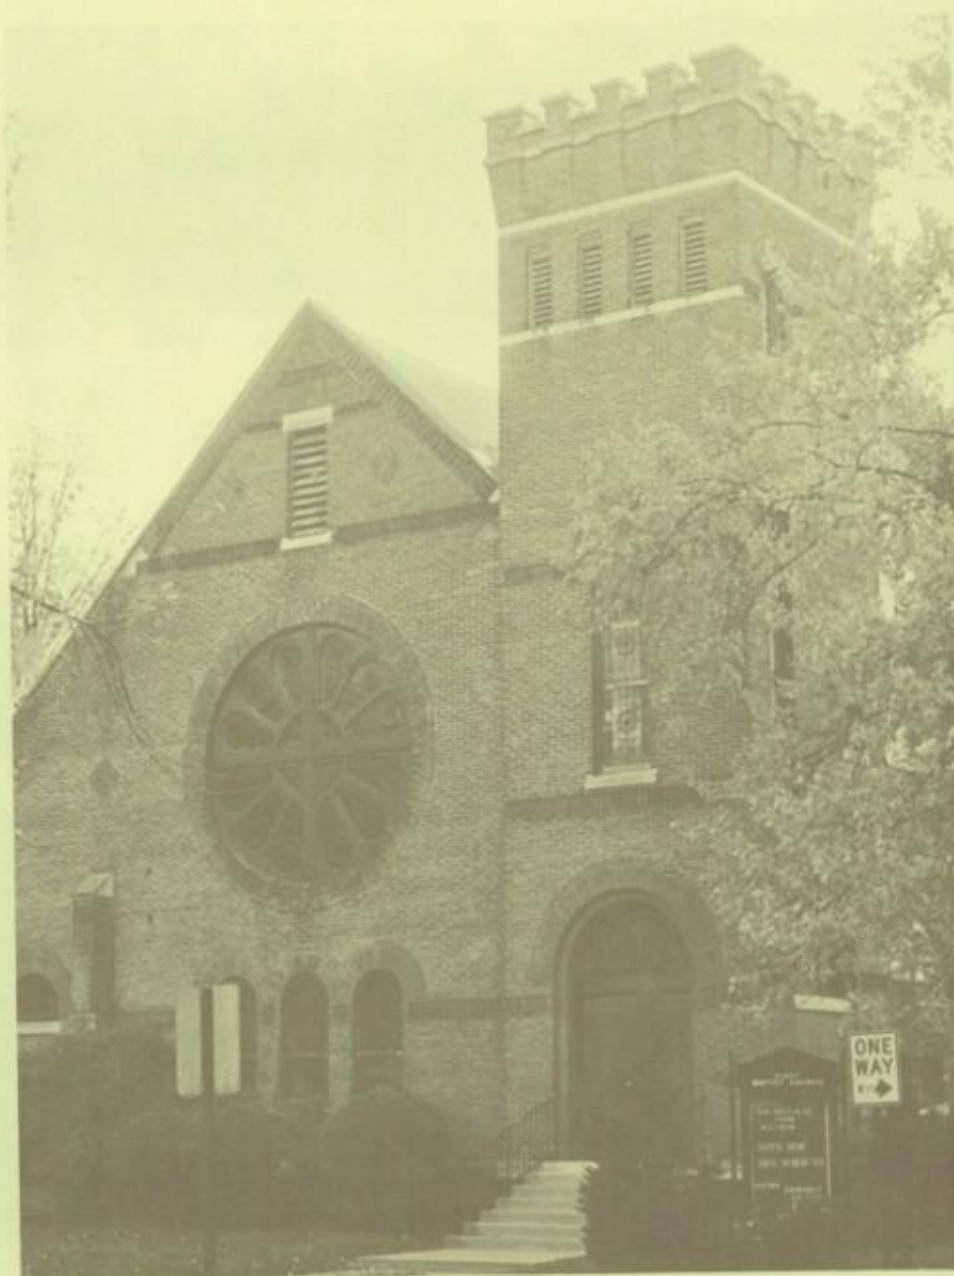

The changes at DHS become apparent as each decade is viewed. The fashion, the school itself, the traditions which are important. A cherished bit of nostalgia to one generation is completely different to another, but each generation can be proud of its grads: its kings, queens, scholars, sports heroes, musicians, artists, scientists, authors, doctors, religious leaders, lawyers and Indian chiefs: congressmen and other public officials. And no matter which school song you recall as *yours*, and which building you consider *home*, you'll always feel the excitement which was and is DHS, and remember forever the Crimson & Gray.

School offerings in the 1800's probably included practical skills such as blacksmithing and weaving. The school cafeteria may have looked like the photo *above right*. Oh, for a picnic *today*!

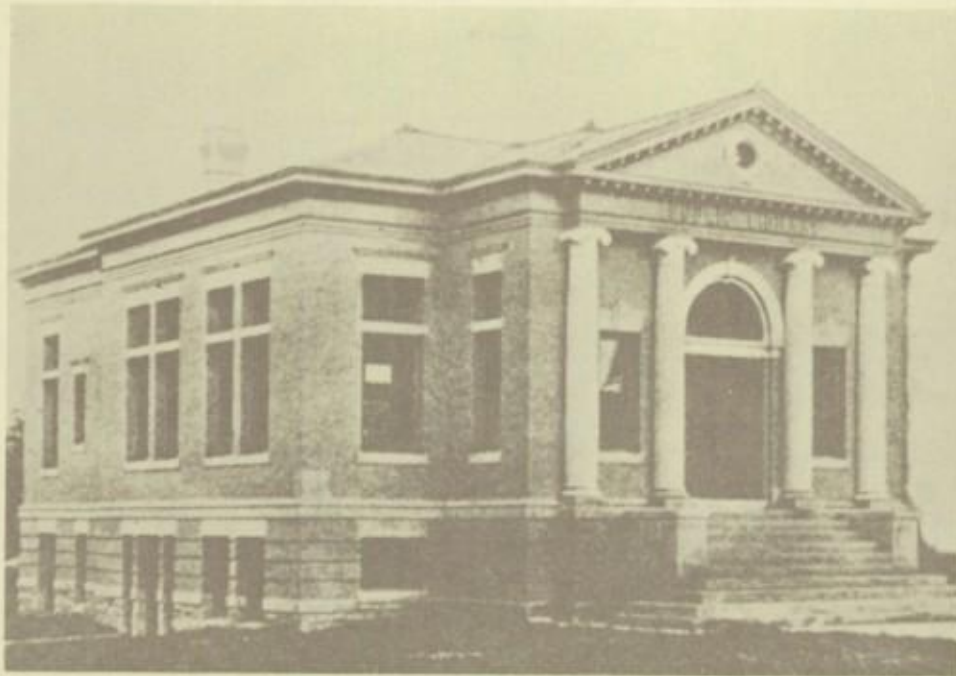

This building was the Hendricks County Jail until it became a museum in 1977. It has been a part of Danville since 1869.

Built as a Methodist Church 100 years ago, the First Baptist Church is well-known for its circular stained glass windows, which are beautiful.

R — Court House

Danville Park

The first Courthouse in Danville was constructed of peeled hickory logs. In the year 1830, a second court house was built and was a square brick building. The third court house was completed in the year 1862 and cost \$60,000. The building was considered a substantial one and of elegant architecture for the time. This Court house performed good service for many years or until eight-thirty o'clock on the night of January 9, 1912, when the whole roof collapsed, completely wrecking the upper floor of the building.

The cornerstone for the present Court house was laid on May 29, 1913. The *new* Court house is build of Bedford oolitic stone and the best steel; this building has a copper roof. The interior contains marble, art glass and ornamental plaster. The cost was \$225,000.

Needless to say, even during the Depression there was more to life than political and economic issues. Throughout the Thirties at least one industry flourished as never before: the movies. For 25 cents admission, you could escape reality for a couple of hours, and perhaps win the raffle or door prize. The two biggest hits of the era were Walt Disney's *Snow White and the Seven Dwarfs* and the film from the best-selling novel, *Gone With the Wind*.

The Danville High School Band

In the forties a group of people, called variously by the press *teenagers*, *teeners*, or *bobby-soxers*, discovered itself. It was the first time adolescents had a separate sense of identity. Complete with their own version of English and special clothes. This was the age of the big bands, and the top crooner was Frank Sinatra. Also popular were the Andrew sisters and Spike Jones. Roosevelt was elected to a fourth term in 1944 but was dead six months later. Truman took the reigns and made *the* decision: the use of the atomic bomb against the Japanese. Pearl Harbor and Hiroshima would long be remembered, but a war was ended.

America's into jeans . . . Remember when a girl wasn't allowed to wear pants to school? Well, times have really changed, from dresses to blue jeans and ERA was the starting of it all and women are continuing to fight for equal rights.

The past nine years a lot of things have happened to Danville and the United States. In '74 Danville celebrated the Sesquicentennial and in '76 the United States celebrated the Bicentennial. Danville really expanded by putting in a drive-thru window at the Burger Chef. At Old Farm a new shopping center was built, which included new stores and restaurants.

Tints And Tones

This year's Solo and Ensemble contestants from Tints and Tones came back with Superior ratings. In first division they came back with a first. They went to State after that and came back with the only first. Girls choir went in division two. However they were not eligible for state.

Girls Choir

Robed Choir

This year at Solo and Ensemble all groups returned with Superior ratings. Soloists receiving a first in division I went on to State Contest. Here they performed to the best of their ability and came back with satisfying awards.

This year for the 1st time a second stage band was added. This new group is called Stage II and serves as a stepping stone between junior high stage band and Stage I.

Stage I has gone to doing more jazz and improvisation this year.

Both groups took part in State Stage Band Contest on Feb. 10, 1979 at DePauw University.

Romania, Here We Come

The Swing Choir sang a happy song last Christmas in Harlingen, Texas; but this year, after acquiring six new members, they hope to be flying away in Romania. This feat however, requires a lot of hard work and time put into money making projects such as: a coat check at home basketball games, shoveling snow, hosting a chili supper and many more projects to come. The Danville Rotary Club has also volunteered their time to help raise funds for the trip, not to forget the people of the community making use of the available services and events.

Swing Choir takes hours of practice and memorization and choreography and Mom Poy repeatedly saying, "Loosen up people!", "Smile", "Listen to the music!" People involved in Swing Choir work hard, but they don't mind because they make people happy. Mrs. Poynter must also tell them *"You're Never Fully Dressed Without A Smile"*.

This is a hard working bunch of girls who have spent long hours in the summer, and before school making up routines for Football games, Basketball games, and contests. These girls work out hard, like any Basketball or Football team, to make their performances as perfect as they possibly can. They are part of the pride and spirit of our DHS Marching Warriors, and of course, the whole school.

Little In Size But — Big In Sound!

Stage I is a stage band group out of the DHS Band. This group comes before school and after school to practice for concerts and stage band contests. To be in stage band you must be willing to work extra hard. They have many performances outside the school which gives these students wider horizons. Each student is well organized and a very fine artist. They may be small, but they are mighty.

1st Row — Mike Trapp, Mark Morgan, Mike Layne, Frank Freeman 2nd Row — Sara Hartung, Marianne Herrman, Angie Lentz, Alice Clark, Janessa Williams, Mike Fowler 3rd Row — Jamie Morlock, Rick Ellis, Karen Corum, Tim Trapp, Jackie Swenke, Tony Lobbia, David Arwood

Marching Band

From B flat concert to a perfect pitch; Mac Beth to Beethoven to Holst, the concert band is not just an indoor marching band. Students spend hours working on dynamics, expressions, and proper phrasing. Though the music studied is much more serious than marching band the spirit and drive remain the same. Missed notes suddenly are not missed anymore, phrases become more shredded cabbage and the balance of the band is finally in the proper proportions. All these come together as the band nears spring contest and the annual Senior Concert.

Concert Band

The marching band season started off with a bang as the band attended their first contest, State Fair. This was the final product of a whole summers work. The band and girls corps attended band camp and rehearsals through the months of June and August.

After State Fair the band attended ISMA District, Lebanon Invitational, Danville X-mas Parade, and marched at the Butler Bowl for a Butler University football game. The Marching Warriors are looking forward to marching in the 500 Festival Parade and attending the 500 Race in May.

Pow Wow

The Pow Wow staff is made up of students from freshman to seniors. The Pow Wow is composed totally by the students. The sponsor is Mrs. Nancy Sutton. The paper is published every two weeks and covers events such as athletics, plays, gossip, and special events sponsored by school clubs. Pow Wow Christmas greetings are a favorite part of the newspaper. It gives any student who wants to take advantage of sending others messages the opportunity to do so at a low price. The Pow Wow staff is a very hard working group of students who do an excellent job of spreading the news around D.H.S.

Tee-Pee Trails

With the 78-79 Centennial year came the rejuvenation of many things and among these was the Teepee Trails.

Headed by sponsor Mr. Swengel and a staff of student editors and managers, this publication hoped to give students and their writing talents the recognition they deserve. Students were encouraged to submit their works anonymously. All contributions were then judged objectively, the best selected, and Teepee Trails 79 was born.

Fellowship Of Christian Athletes

During our first year of FCA we had a very good turn out with 32 members. The club had several activities for each member of the club to enjoy like going to Taylor University for a breakfast and to listen to a speaker. Along with this the FCA went caroling and also collected money for the American Lung Association.

Letterman's Club

The Letterman's Club consisted of approximately 40 members. With the new system of awarding points to freshmen and reserve for participation, membership has increased this year. The lone fund-raising activity for Lettermen was the operation of concessions at some of the athletic events. Plans are being made for a trip in the Spring and other projects are in the planning stage.

Officers include: President — Jeff Simpson,
Vice-President — Bill Kirtley, Secretary-
Treasurer — Mitch Humphress

FHA

The FHA/HERO chapter at DHS kept busy — as usual — this year. We earned our share of meager pennies working in the concession stand. We initiated new members and installed new officers. We caroled ourselves hoarse and laughed ourselves crazy at our Christmas party. With the leadership of our faithful sponsors — Miss Selsor, Mrs. Fox, and Mrs. Mize — and the pride of having our own Laura Riggs as National president, we could do no wrong. And we intend to keep on going strong.

Induction dinner jitters with thoughts of, "Just wait, my candle won't light.", the Snow Dance with its "musical partner" game and the secret-keeping suspense of the seniors and their "Ideal Ladies", along with being part of the Christmas parade, decorating the LMC and caroling are all part of the fun of being in Tri-Hi-Y.

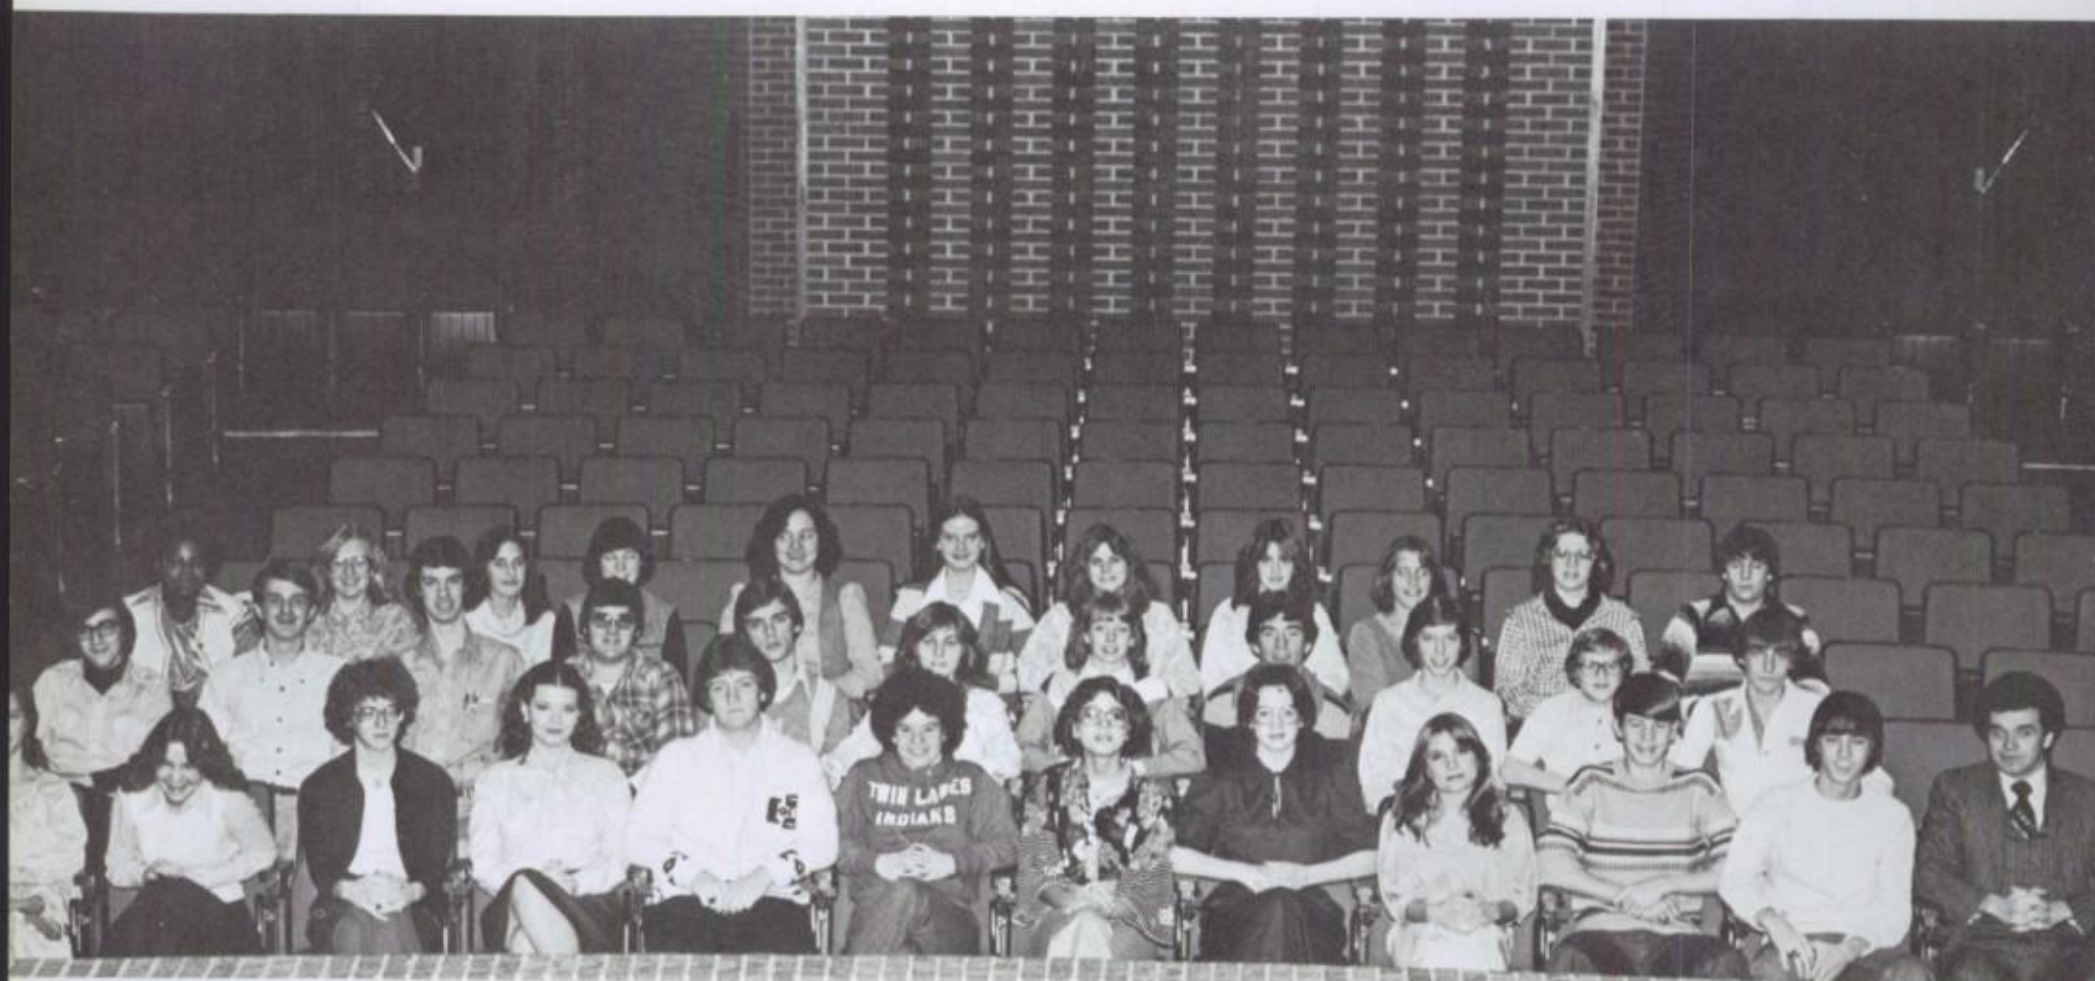

This Christian organization (open to all girls of Christian character who are willing to accept its responsibilities) is working and giving our school and community their gift of love. They receive much by giving to others. In doing this, Tri-Hi-Y reveals its high standards of Christian living. — KEA

Speech Club

There are quite a few people that have over come stage fright. They have gone to many Speech contests and they all do a very good job of representing Danville High School. Their sponsor is Mr. Nathan Mowery.

Library Club

If you ever notice some students that get out of their classes on TSS without any hassle, they are members of the Library Club. The Juniors love these people when they are doing their research papers. Mrs. Hoge is the Library Club sponsor.

Officers: Jeff Dever, President

Student Council

This group of people is famous for the Homecoming Dance. This year they even had a Dance Contest. They also sponsor the exchange students. When students want to change something or bring something new into the school the Student Council does their best to get it approved and into the system.

We Added Something Extra!

This year's Tom Tom staff had it's work cut out for them. The book was enlarged from 180 pages to 225. The staff enlarged the page size which added a lot more space for pictures, copy, and artwork. It had new members this year which matched the amount of old members. For the past two years, the Yearbook Staff has consisted mainly of seniors which is a tradition kept this year too. This yearbook was put together with a lot of thought and originality. They had lots of help outside the staff, which came from Mr. Mays in the Industrial Arts by letting them use the dark room. Mrs. McElwain also let them use her 5th and 6th hour girls for typing. Both helped a great deal! Enjoy this book because they enjoyed doing it.

Social Studies Club

Even though the students at D.H.S. are required to have a minor in Social Studies there are many students that cannot get enough of it. These are the students that are in the Social Studies Club. They usually take trips to different cities that have fantastic museums of historical marks.

Science Club

With Mr. Thompson as their sponsor, the Science Club has become alive with activity. Each meeting is an educational experience.

Have you ever shot a laser around a room or out the window on a tree? This is just one of the activities the Science Club members participate in. Field trips are also included in the schedule of events. All activities are educational and fun filled for all involved.

Audio-Visual

The people that answer the many calls of help from the teachers, are few students that are learning how to use the Video Tape Machines. They are under the leadership of Miss Selsor. Their names from left to right: Kevin Walker, Lee Snyder, Dee Kurtz, Mark Orelup, Greg Fuller, Rick White, Jeff Dever, Miss Selsor.

People in Chess Club: Mr. Vitosky, John Brown, Herb Flory, Aaron Clark, John Ogborn, Lance Robinson, Larry Schultz, Kurt Hinkle, Tapio Heusi.

Chess Club

If you are walking around D.H.S., and you see a group of people wracking their brains learning how to play chess or playing chess, they are probably in the Chess Club. . These people have a great gift, which is concentration, a gift many people do not have at D.H.S., if you would look around on a regular school day.

Quill and Scroll is a national honor organization for high school journalists. These students are also members of either the *Tom Tom* or the *Pow Wow* staff where they devote many hours of individual work. You can always see these people behind the scenes.

This year's Honor Society met once a month in Mrs. Orelup's room to discuss the up-coming events. Their president this year was Frank Freeman who handled the job very well. They worked at home basketball games to make money to pay for the Honor Roll certificates in the Spring. Honor Society also sets the standards for the Honor Roll. In December, the new members were elected and now there are over 60 students in Honor Society.

Practice, Sore Muscles, And A Lot Of Tape

— That's The Makings Of An Athlete

Participating in a sport was not all glory and recognition. Many hours of hard work, sore muscles, sprained ankles, rolls of tape and early morning practices were just a few "trials" that an athlete had to face.

Everyone recognized the top scorer, the athlete who was built like a brick wall and the one who could dunk the ball and thought he was Doctor "J".

But few recognized the athlete who was too small for his position, the one who was too slow or the one who just didn't have enough coordination to make the "varsity squad".

The athlete who was willing to spend 20 hours a week to compete in a sport and only played when his team was 30 points ahead or when his team was behind by so much there was so longer any hope for them.

But yet those few minutes were so precious that he worked harder the next practice and continued his dreams for the "first string". Jim Woodrum says: "I work hard during practice and usually see little playing time, but I just like being a part of the Warrior team."

ew people realized the sacrifices that an athlete had to make. Jobs, dates, and sleep is what the athlete had to do without. An athlete could not go out and run around with the guys on Friday, there was usually a game. Bob Bowman comments: "Sacrifices are a big part of the game, but if you want to be good you have to work at it."

Even though many athletes put in 20 hours of organized practice a week, before and after school, some practiced during their spare time in almost any weather. Gary Long tells us: "I played after practice and on weekends throughout the season. If you want to be good and win a lot of games, practice is the big deciding factor and I like to win."

A lot of sports require year-round conditioning to keep in shape. Basketball required a lot of playing time in the off season to keep a touch on the ball. Football is a summer of jogging and weightlifting. An athlete who worked through the summer was the one who could usually make it through the season without serious injuries.

For wrestling it's a matter of keeping fit and trim. Jeff Price says: "I eat one meal a day and run 4 miles just to keep under 105 pounds."

A person has to have a lot of guts, determination and desire to be an athlete. He cannot just walk out on the field and be a superstar or, in other words, a "winner."

Varsity (gray) and Reserve (maroon) Cheerleaders: Brenda Velasquez, Barb Wentworth, Shellie Farmer, Mary Lofton, Kim Mayer, Tracey Whitmore, Glenda Maxey, Jill Salyers, Cindy Cave — Freshman Cheerleaders: Leah McEchran, Jana Akers, Yvette Grace, Barb Myers — Matmaids: Kris Hiser, Leanna Haltom, Cindy Smith, Ronna Goodman, Susie Schneider, Kathy Bottom, Tammy Cloncs, Rebecca Lawson, Amy Emric, Joni Noel, Robin Rarey, Terri Graddy

Girl's Track

1978 Girl's track team did not do too well this season. Coming off two winning seasons of 10-0 and 9-1, the girls won only one meet. Due to a loss of Seniors and some injuries, the team was quite small. Because of bad weather, most practices had to be held in the gym. Even though it was not a winning season, two new records were set by an up and coming freshman, Rhonda Velasquez and Senior Annette Potts. Next year hopes to be a better season!

Front Row: D. Goodrich, C. Rhodes, T. Wineman, S. Beard, J. Pierce, B. Peters, C. Roberts, D. Jackson, *Row two:* Coach Wagner, A. Potts, S. Humphrey, L. Fulmer, L. Hadley, S. Graper, L. Smith, K. Eddy, N. Faulkner.

1979 Boys Track Team

Boy's Track

Season record was 7 wins and 8 losses. The team finished 7th in the Mid-State and 5th in the county.

Leading the 1978 track team was senior Frank Mason. Frank scored 148 points and was also elected Most Valuable Trackman by his teammates.

Other top performers were Craig Scudder, Scott Neal, Baker Bradley, Jeff Neher, Steve Leath, Rick Lambert, Rick White, and Rick Walker.

Hole In One

I expect this years team to be very competitive. It should be a fun year. We expect a lot of competition between team members as well. There are several spots up in the air. Returning letterman are seniors Bill Kirtley, Frank Freeman, sophomores Guy Parsons, Greg Scott, freshmen Jeff Shelton who will be pushing for the #1 position.

First Row *l to r*; Frank Freeman, Bill Hartung, Craig Moore, Greg Latshaw, Bill Kirtley, Jim Wrightsman, Second Row, Phil Gulley, Stan Knotts, Jim Stoneking, Troy Rader, Steve Knotts, Don Dodson, Coach Odle

Baseball

The Danville Warriors Baseball Team started their season out slow by having 6 out of their first 8 games rained out. The Warriors finally got going and their season ended up with 3 wins and 10 losses and placed second in the sectionals. Only losing 3 Seniors, the Warriors upcoming season should be a great one.

Varsity; First Row, L to R: Jeff Dinkel, Vince Myers, Jeff Leaf, Randy Collier, Mark Johnson, Doug Gulley, Bobby Severson; Second Row: Mr. Cook, Terry Varvel, Kelly Lehr, Dave Wineman, Kevin Johnson, Bo Humphrey, Gerald Maxey, Randy Birchler, Jerry Allen, Mr. Cadle; Third Row: Glen Bowman, Mitch Humphress, Bob Bowman, Norman Fish.

Reserve; First Row, L to R: Dave Gillespie, Greg Fuller, Brian Smith, Mike Moore, Gary Houser, Bret Zimmerman, Jeff Maxey, Bobby Severson; Second Row: Jeff Leaf, David Wineman, David Welker, Kevin Johnson, Jeff Dinkel, Mark Johnson, Randy Collier, Mr. Cadle.

The 1978 Girls Tennis team broke even this year with a 5-5 record. Many new faces could be seen practicing each day. Much experience was lost but new determination made up for their loss. The varsity team consisted of new singles' players as well as two new doubles teams. Losing only one varsity player, this coming season should prove to be productive.

Left Back — Carole Keiffer, Lois Hanebutt, Tammy Lynch, Cynthia Runyan. *Right Back* — Kathy Birchler, Rachelle Wiggam, Jan Stoneking, Glenda Maxey, Cheryl McDonald.

1979 Boys Football Team

Playoff Hopes Fade

By Craig Scudder

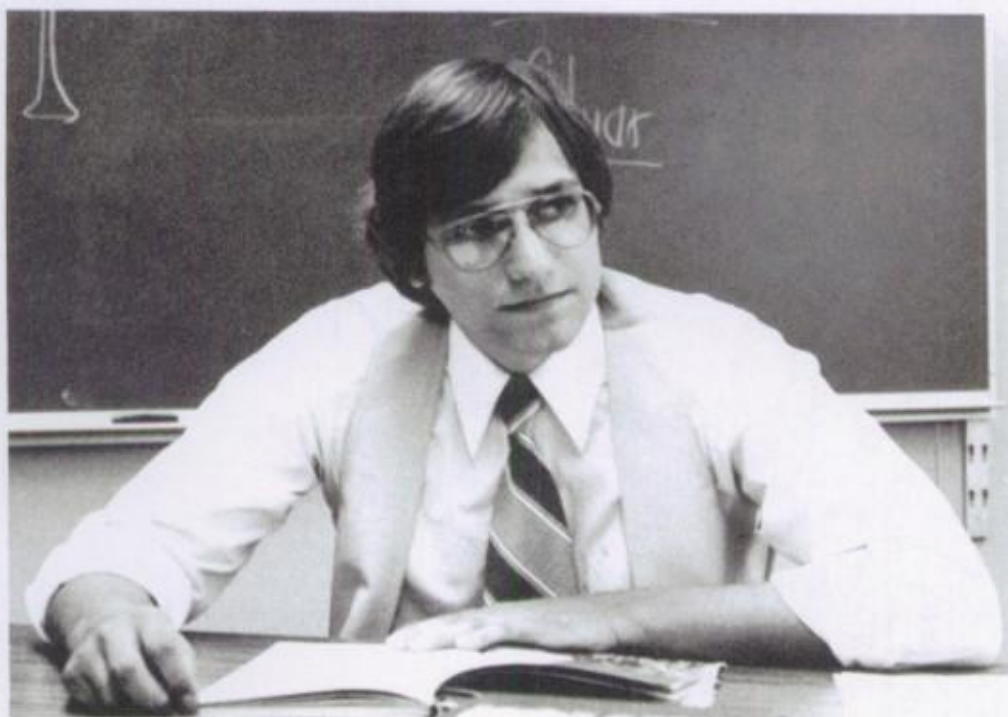

The football season drew to an end with a 7-3 record. With one more game in the win column the winning Warriors would have made the IHSAA Class A Playoffs. The Warriors, bouncing back from a early season defeat by Speedway Sparkplugs, won their next five games. After a tough defeat to Avon, the Warriors found themselves with a mental and emotional letdown. The Avon encounter, which caused the Danville team to be put on probation, caused a lack of spirit and team effort. The next game against the Cascade Cadets, the Warriors fumbled the wet football and coughed up a 16-0 defeat. Despite the loss, the Warriors came back the next two weeks knowing that they would probably not make the playoffs. Playing good solid football, the Warriors defeated Whiteland 15-6 and a tough Mooresville team 21-18. Losing 22 seniors, the Warriors will be somewhat a new, fresh team with only a few returning letterman.

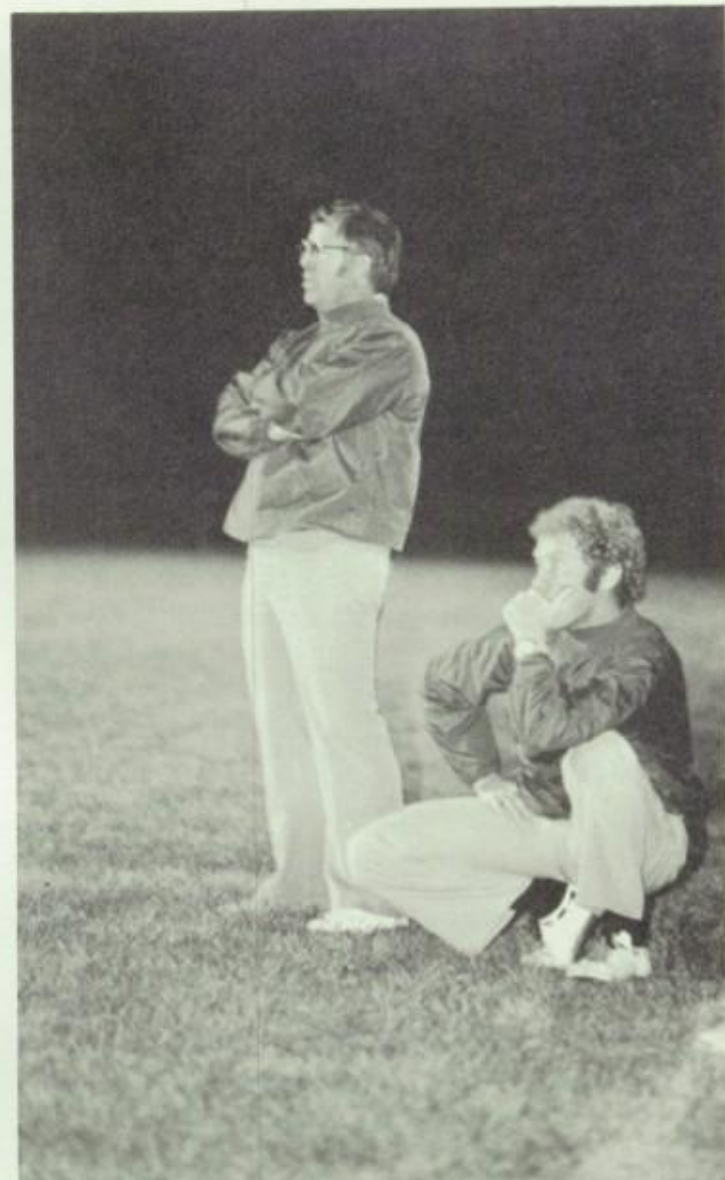

1978-79 Freshman Football Team

This year's Freshman and Reserve Football Teams were conditioning themselves for the coming years when they will be our Varsity Lettermen. They did a fine job and should prove to be great assets to the varsity team.

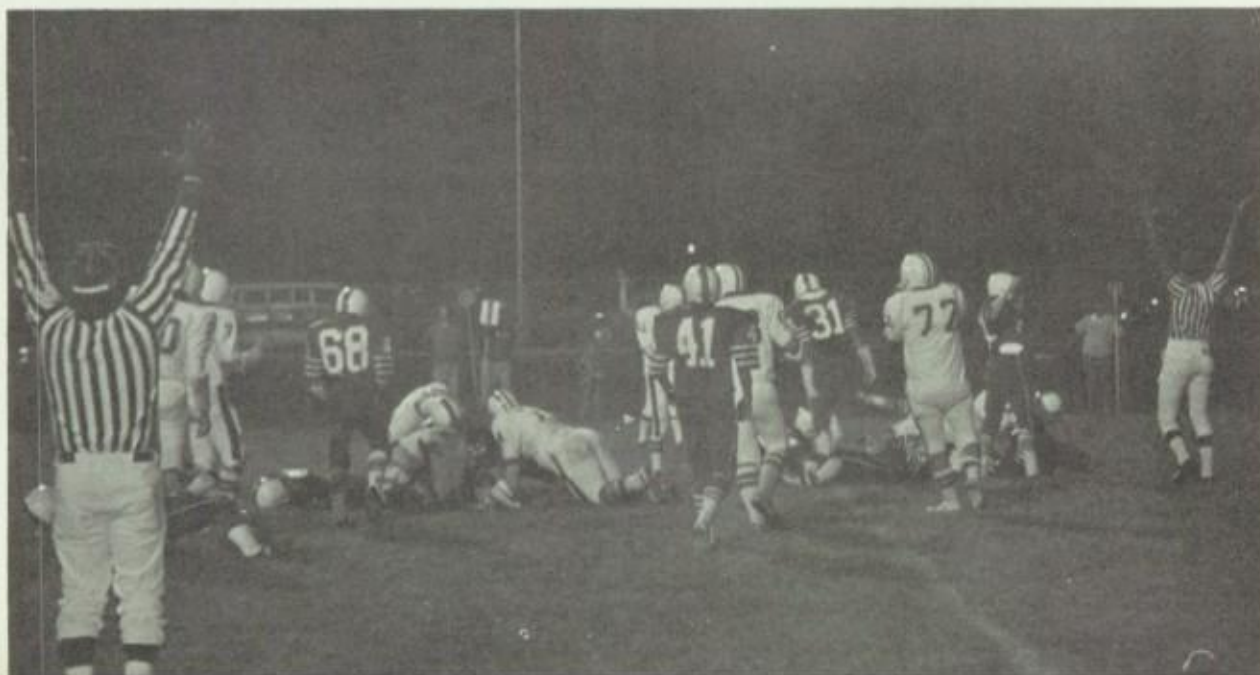

The Spirit behind the Freshman team were these four young ladies, *l to r*, Yvette, Leah, Jana, and Barb

On The Left, Reserve Coach, Mr. Schmink

Cross Country

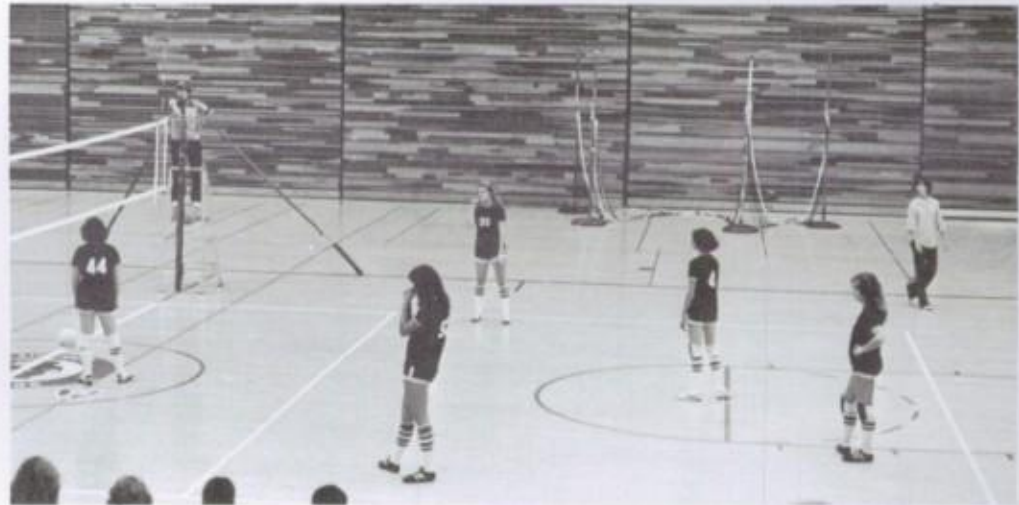

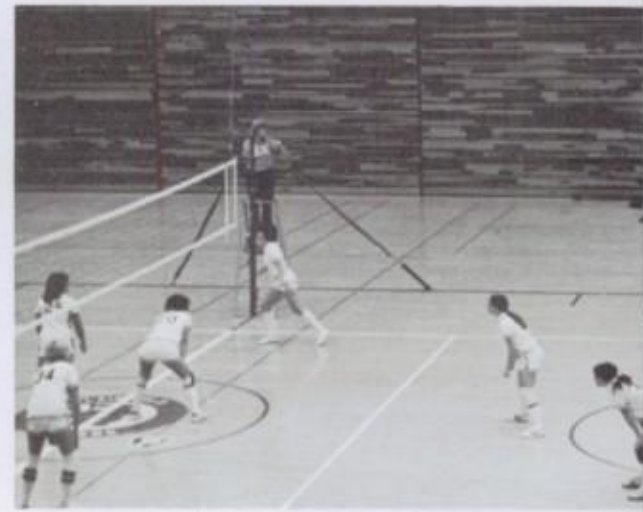

Cross Country is a distance run. The race is presently $2\frac{1}{2}$ miles long. The race involves running on roads, on grass, through woods, through creeks, up hills, down hills, and around sharp turns. A good competitor must have endurance. The race last from 12-20 minutes in the high school level of competition. To build up endurance a runner will often run 5 miles in the morning and 10 miles in the evening in training for the race. Runners find that training year-round improves their times and therefore their success in the sport. A good runner has to have a lot of mental fortitude to do the necessary training. All the effort one puts into training is well worth it when you are successful in a race.

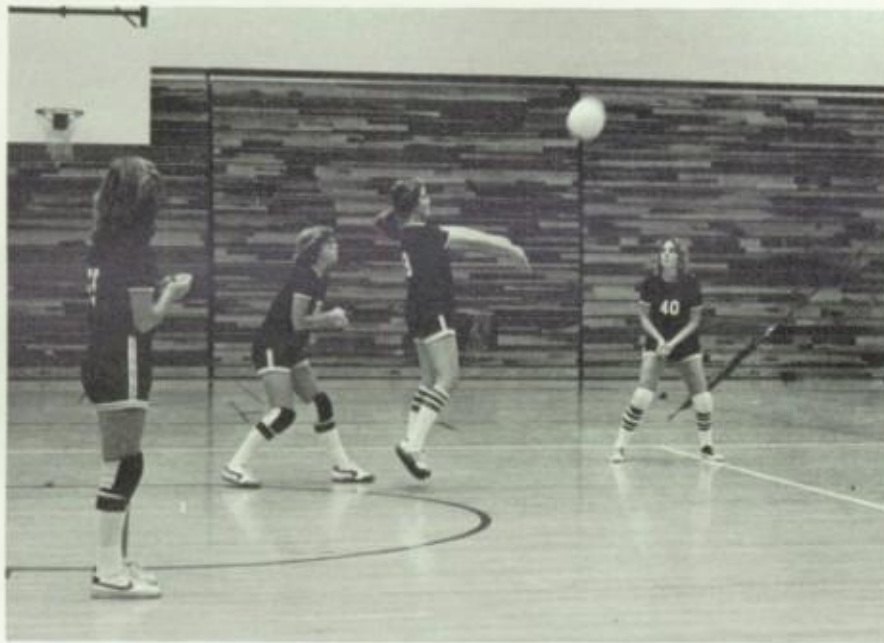

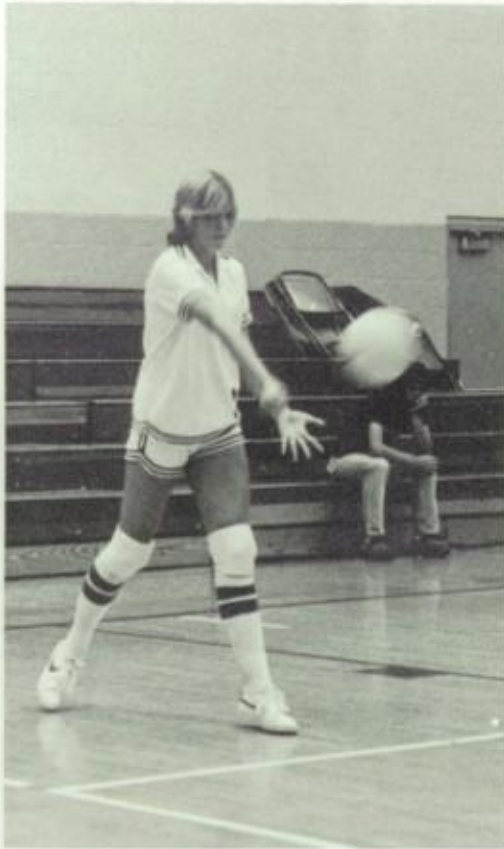

Front Row: left to right: Leeann Frye, Rick Walker, Randy Walker, Frank Freeman, Rick White. Back Row: left to right: Mr. Bradshaw, Kurt Janneck, Robert Frazier, Tim Trapp, Mr. Thompson.

Volleyball

Despite a quite discouraging record, the girls never gave up. They worked and tried harder than ever to come out of the slump. Teamwork became the key word. They found that the six girls on the floor plus the ones on the bench were all essential to complete a good game.

Varsity, Front Row *l to r*; Susan Morris, Rachelle Wiggam, Stacy Humphrey, Lisa Ward, Angie Lentz, Kay Morphew, Jamie Smeaton, Second Row; Coach Younce, Pam Moore, Jan Stoneking, Cynthia Runiyan, Carol Herring

In H₂O Away They Go To A Winning Season

The Girls's Swim Team had a season record of 8 wins and 5 losses. The team finished third in the Western Boone Sectionals. Co-captains Sheri Hume, and Janet Schoening led the team in scoring. Janet Schoening and Kim Mayer were sectional champions and competed in State Finals. Other team leaders were Christy Hume, Beth Mayer, Glenna McDonald, Linda Sutton, and Lori Cassity.

Top Row: left to right: Kim Mayer, Janet Schoening, Glenna McDonald, Sheri Hume, Jill Lewis, Linda Sutton, Jeannie Pierce, Sonja Humphress. Row Two: Coach Carmichael, Gloria Wethen, Lori Cassity, Leah McEachran, Michell Doub, Darci Randolph, Kris Hiser, Anne Jones, Michell Merrion, Lana Oppy.

Very Wet But Proud

Jody McCoy is the team leader for the Danville Boys Swim team. They have a 9-4 record with 5 more double meets to go and also sectionals. They won the 1st Danville Invitational against the following teams. Plainfield 2nd place, 3rd place, West Vigo, 4th place, North Putman, 5th place South Vermillion, 6th place, Tri West. Jody McCoy is undefeated in the breaststroke so far in this season. Kirt Schoening, David Arwood and Brent Taylor have played a strong part in the Warriors Victories. Kirt Schoening, David Arwood, Brent Taylor and Kirt Gardner have all set new school records.

“Real Winners Never Give Up”

The girls basketball team definitely has had a depressing season. But only to those who did not see them last year. Only to those not seeing them the first game of the season. There has been so much improvement all season long. Now, if we could only get the ball into the basket. It's hard to have a winning team when the only attention you get for educational improvements starts in October and lasts until January 31. The driving spirit of both the varsity and reserve teams is “Never Give Up” They never did! In my opinion, the score of our games told the real winners.

There's Warrior Fever In Warrior Country

Danville "Flies" Into Action

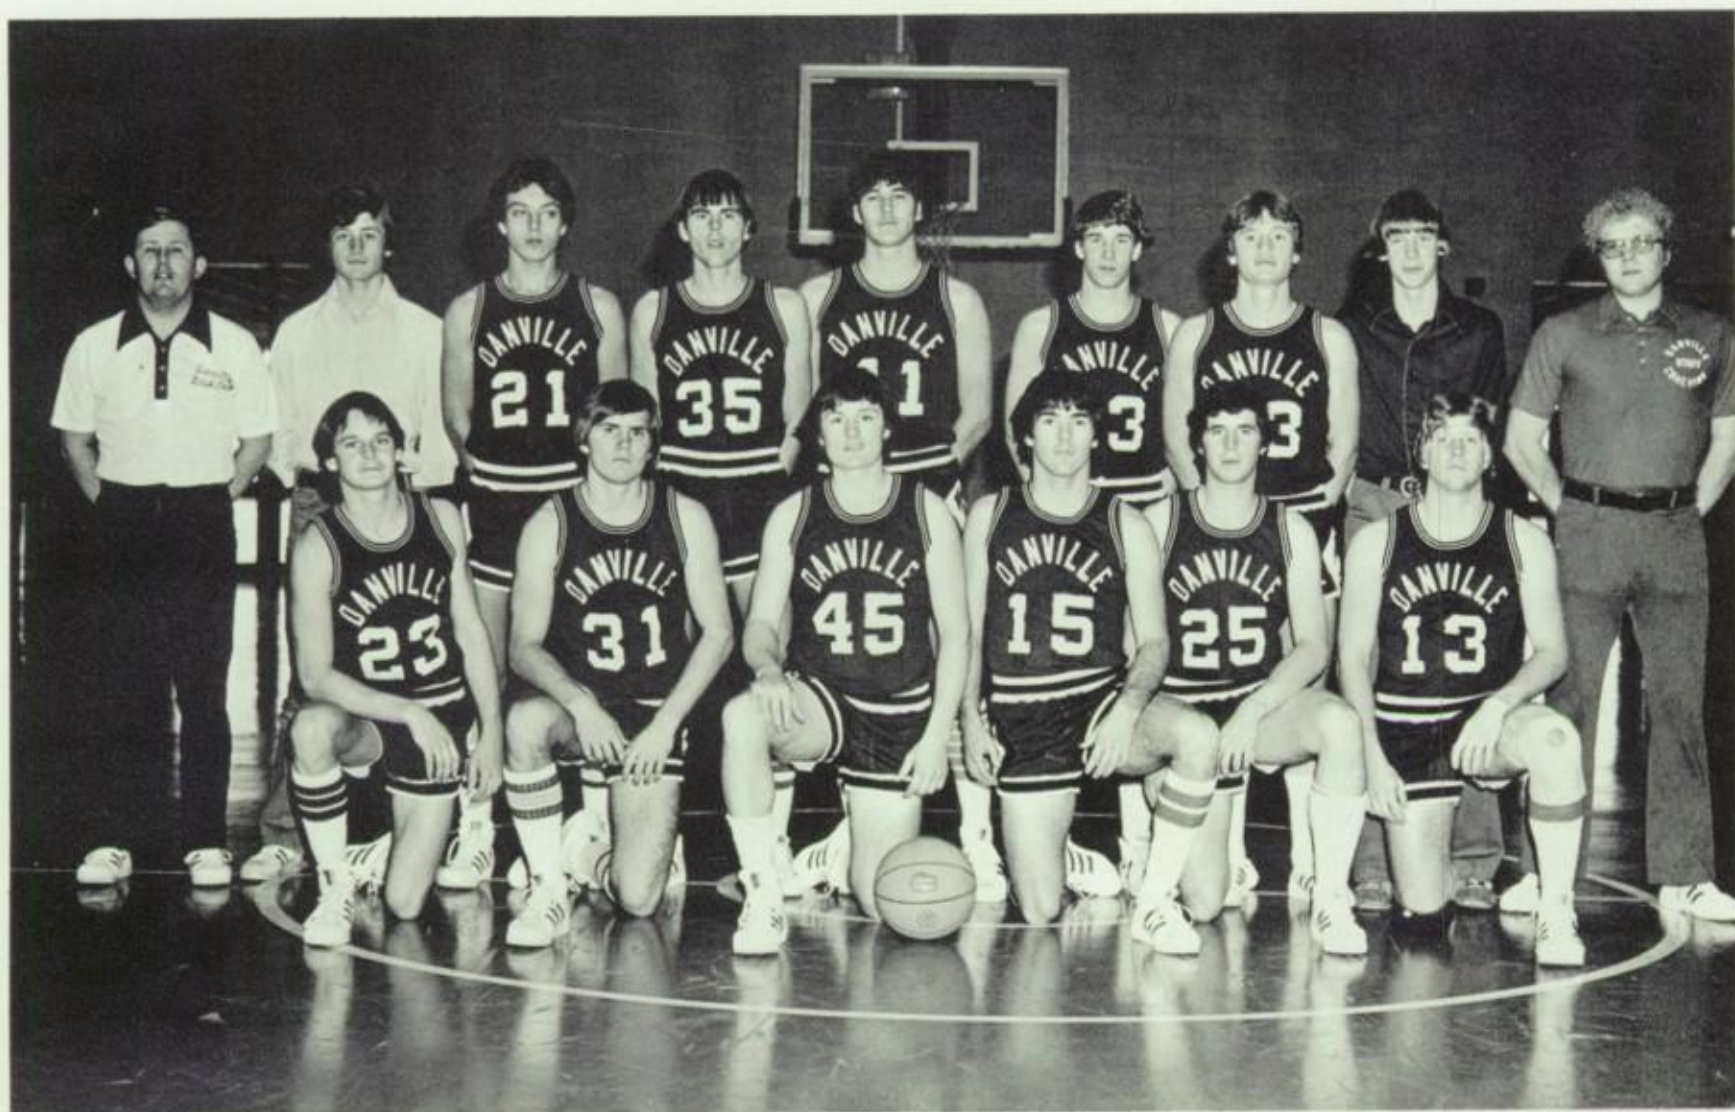

The 1978-79 Warrior Basketball Team took to the courts on October 15 with several goals in mind. The three major goals included: (1) *To Win* 15 of 18 regular season games, (2) *To Win* the County Tourney, and (3) *To Win* the Brownsburg Sectional. To sum this all up these Warriors wanted to be #1 on the list. This year's Varsity team included a group of very close-knit young men, both on and off the basketball court. Although it is mostly a *Senior* dominated team, this year's success can be attributed to *Seniors* and *Underclassmen* alike. This is a team that will be remembered by DHS fans for a long time. Rightly it should be remembered, because the 1978-79 Warriors are definitely a "class" group.

Reserve Captures Second Straight County Tourney

The Warrior Reserves have enjoyed a fine season, climaxed by winning the Hendricks County Reserve Tourney. The Warriors have showed a great desire and willingness to work extremely hard in practice sessions, improving their abilities as individual players and as a team. By maintaining that previous quality along with their enthusiasm for the game, the Warrior Reserves will become a fine Varsity team in the near future.

Front Row (L to R) B. Burnell, R. Collier, G. Earnest, J. Leath, S. Asher, K. Lehr Back Row (L to R) Coach Leathers, S. Himsel, D. Stump, S. Wright, D. Hodge, G. Bradley, R. Frey

Frosh Experience “That Championship Season”

This has been a good year for our freshmen basketball team. Our young freshmen team has brought home the county tourney trophy. This is a fine group of athletes which have a good future ahead of them at DHS. The hard hours of practice have payed off for the team and the new freshmen basketball coach Mr. Cadle.

1st Row (l to r) M. Earnest, P. Boyden, E. Parsons, J. Pierson, M. Boyden, J. Price, B. Kincaid, S. Raymer, 2nd Row (l to R) D. Rawlings, W. Morelock, M. Morgan, D. Snodgrass, D. Zielinski, B. Miller, G. Gregory, J. Schmink, and Coach Ron Schmink

Let's Pin Let's Win!

Wrestling: Captains Jeff Price and Brian Miller

This year's team was young and inexperienced with only 2 seniors, 2 juniors, 9 sophomores, and 1 freshman. Our season record stands at 2 wins and 9 loses and a 5th place finish in the county tourney.

Four wrestlers are having a fine season and done well in tournaments.

Jeff Price (Sr.) 14-1-1
Brian Miller (Sr.) 14-1
Mike Boyden (So.) 11-5
Pat Boyden (Jr.) 8-4-1

Jeff Price and Brian Miller placed first in the Monrovia Triple Dual Meet.

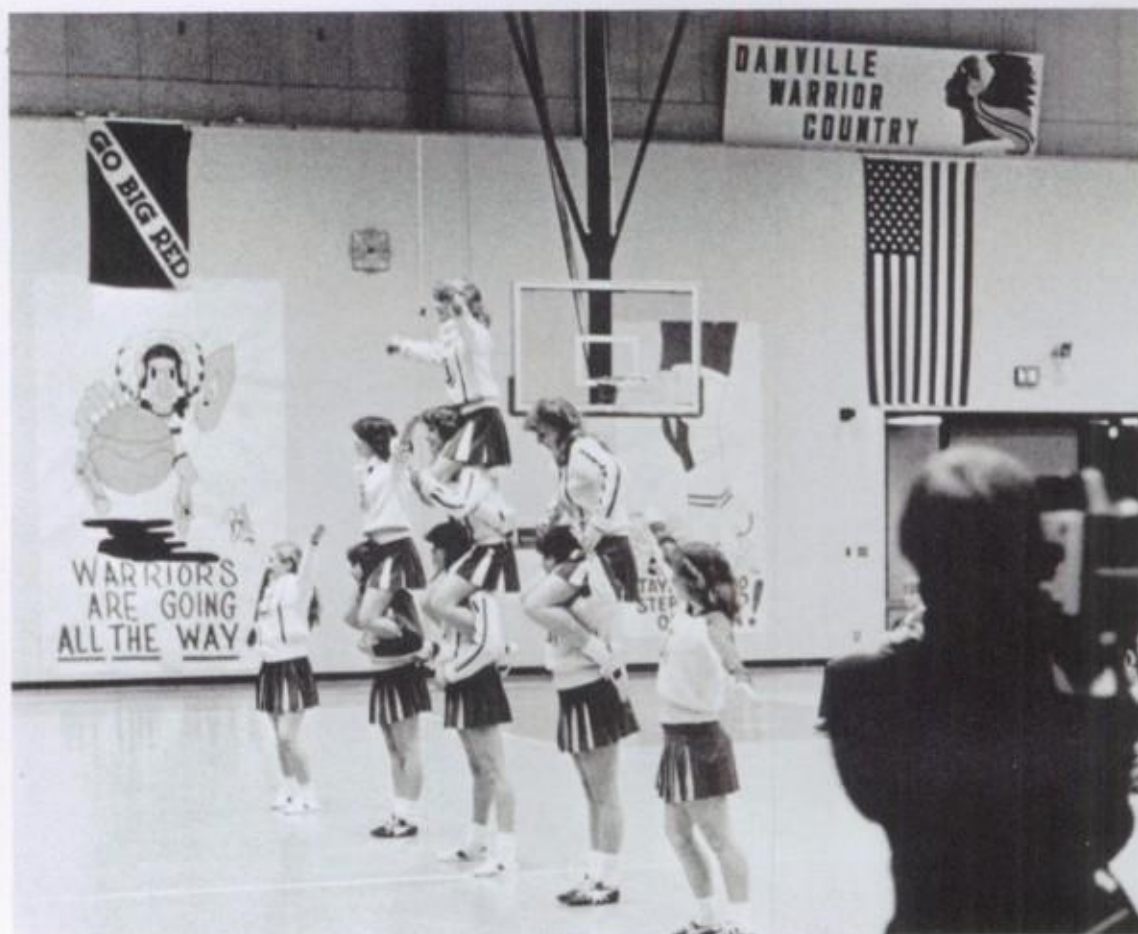

Many members of this years team have worked hard and in the next two years we expect to have a real good team. I am very proud of these wrestlers even though we are having a hard year.

Along the Rhine

Paris—a city of classical monuments like the Arc de Triomphe, colorful open-air markets like the Rue Mouffetard, fascinating medieval landmarks like the Abbey of Cluny or the Church of St. Germain, and spirited sidewalk debates in the Latin Quarter. Brussels is the headquarters of the Common Market and a showcase of Europe's postwar prosperity.

Cologne, to the east, is one of Europe's most historic cities: its cathedral is the finest Gothic structure in Germany, while its modern stores and office buildings offer a display of glass, steel, and futuristic design. Your imagination wanders back through centuries as you take a steamer cruise down the Rhine River, past stone castles and the fabled Lorelei rock.

Enchanting Heidelberg is Germany's most picturesque university town, and farther south, in the Black Forest, you enter the birthplace of Germanic myth and folklore.

The Swiss Alps have a magic of their own, and in Lucerne you'll see mountain scenery, crystal-clear skies, and a shimmering lake that's guaranteed to take your breath away.

What will tomorrow bring?
None of us can be sure.
We all have goals we
hope to reach and dreams
that we'd like to fulfill,
but can we accomplish
all of this?

Day after day we work toward
our goals. We work hard with
determination and enthusiasm.
Sometimes we win. Sometimes
we lose. What matters is, at
least we tried.

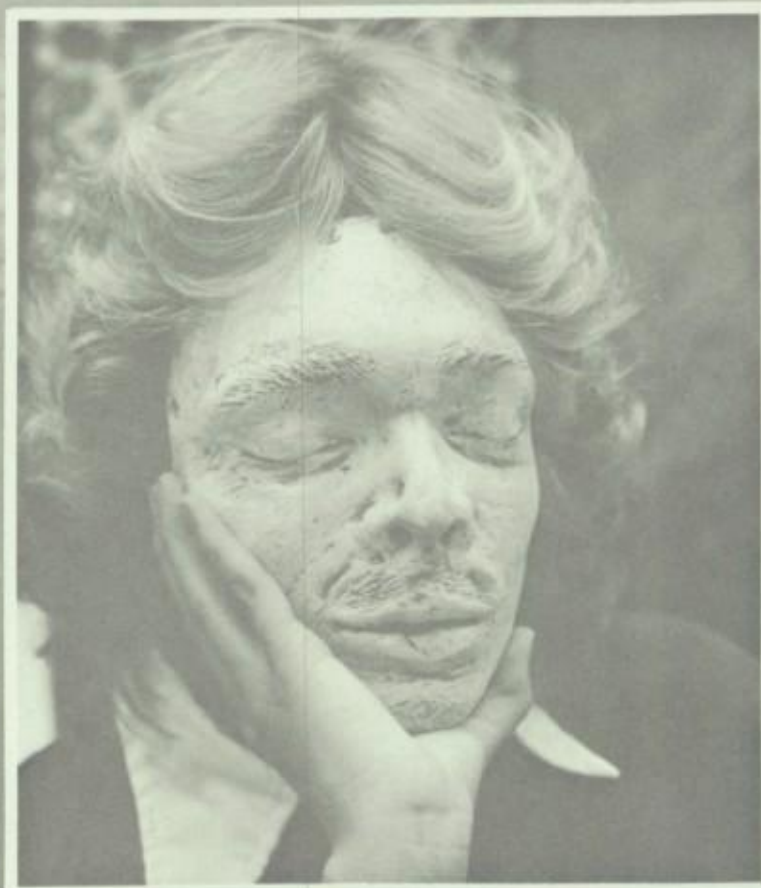

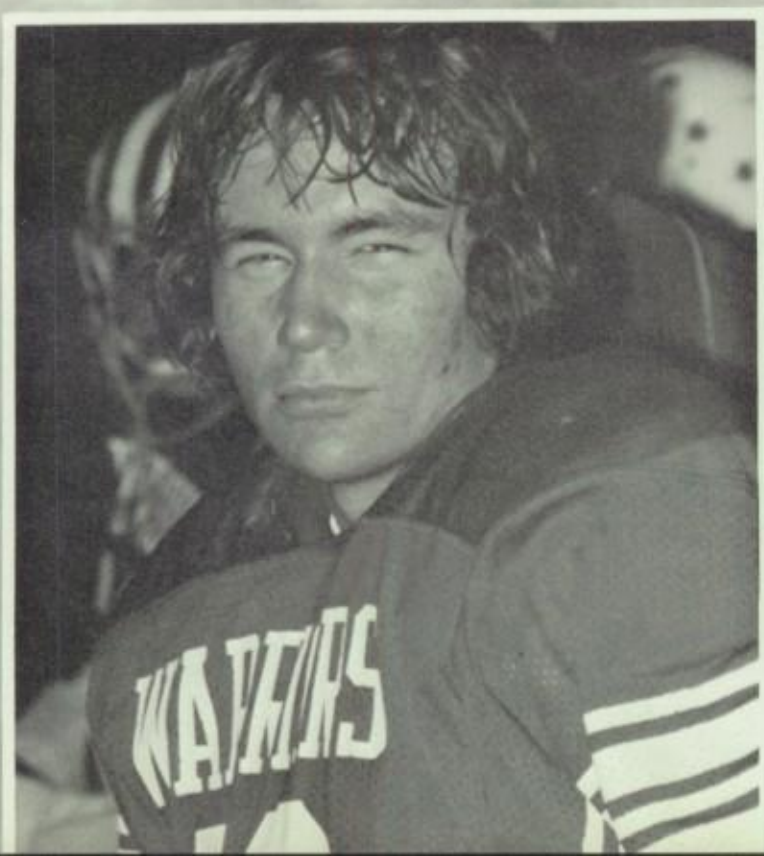

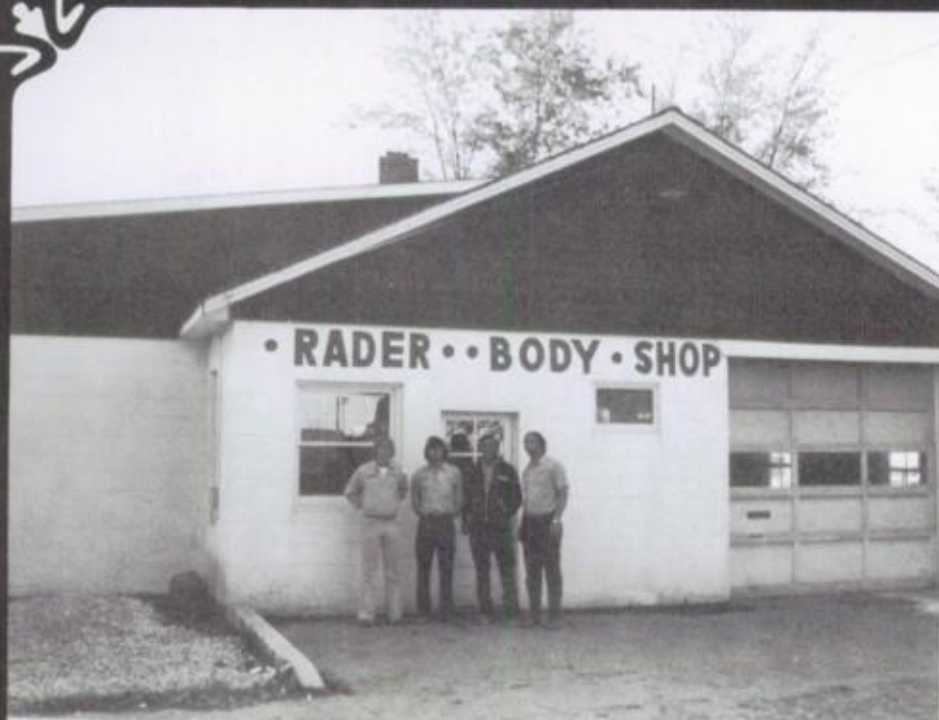

Life is scary and growing up is tough. Don't give up, if at first you don't succeed. Keep trying and trying, even when you are hardest hit. Success may be close . . . so don't ever quit.
